Tasmania

How we help

Cancer Council Tasmania provides free, professional support services to Tasmanians diagnosed with cancer, their family and friends.

Our support staff work with clients to assist them through a cancer diagnosis, treatment, survivorship and bereavement

All our programs are endorsed by our Clinical Advisory Group to ensure they reflect best practice are high quality and run by appropriately qualified facilitators.

We provide:

Individual Support with access to professional staff in our Cancer Support Centres in Hobart, Launceston, and Devonport.

Group based peer support with over 20 cancer support groups.

Allied Health programs such as nutrition and exercise based programs.

Complementary therapies such as mindfulness, yoga, tai chi, and oncology massage.

Practical Support including wig libraries, transport to treatment, and access to financial assistance and free legal advice.

Cancer Support for under 25's including additional financial assistance and educational scholarships.

Outreach services available within some hospitals and cancer treatment centres.
