

The job's not done until we're all safe in the sun

More than **1 in 4 Aussies** admit that sun protection isn't part of their daily routine in summer.

We are calling on the Federal Government to invest in a national skin cancer prevention campaign.

**National Skin Cancer
Action Week**

21 - 27 November 2021

A partnership between

**Cancer
Council**

THE AUSTRALASIAN COLLEGE
OF DERMATOLOGISTS
