

CANCER COUNCIL TASMANIA

STRATEGIC PLAN 2021-24

Our purpose: Reduce the impact and incidence of cancer on all Tasmanians

Our values: Generosity, Integrity, Collaboration, Courage, Innovation

OUR GOALS

PREVENT

Broaden our reach and empower and support Tasmanians to embrace healthy lifestyles that reduce their cancer risk.

SUPPORT

Ensure equitable access to relevant and quality support services for anyone impacted by cancer.

RESEARCH

Investment into cancer research that provides the best opportunity to prevent cancer, improve cancer outcomes and save lives.

OUR PRIORITIESTO SUPPORT OUR GOALS

Advocate for public investment into evidence based preventative health.

Provide impactful outcomes for our clients through an effective model of supportive care.

Collaborate and invest in local, high quality cancer research.

Provide the community with the tools, skills and knowledge that support and enact behavioural change.

Increase access, awareness and the utilisation of cancer support services.

Raise awareness of research outcomes to the greater community.

OUR ENABLERSTHAT SUPPORT OUR PRIORITIES
