Programs and Activities

Yoga
Includes gentle movement and relaxation and known to be beneficial for people impacted by cancer. No experience necessary.
Qi Gong
Ancient Chinese movement therapies that combines gentle and specific movements and focussed breathing to assist with balance, strength and stability in the body.
Exercise Physiology
Exercise that helps rebuild strength, manage side effects of treatment, build confidence and improve energy and wellbeing.

Programs and Activities continued

Oncology Massage
A specific massage for oncology patients that can induce a deep state of relaxation and assist with physical and emotional discomfort.

Bowen Therapy
A gentle hands-on bodywork technique involving sequences of gentle movements that works on the body's connective tissue that can greatly impact the whole body.
Rest and Reset
A guided relaxation session with some simple stretching that helps to regulate stress and emotions and calm the mind.
Walking Group
Meet up at scheduled destinations for peer support and gentle accessible walks in different locations.
Craft Group
Informal meet up and peer support with personal craft activity.

Living well with cancer
4 week cancer survivorship program designed to improve wellbeing, physical fitness and manage side effects of treatment.
Cancer peer support groups
For people diagnosed with cancer to meet and share experiences in a confidential and safe environment, facilitated by supportive care staff and volunteers.
